15	Car and trailer/2 x cars	1 large (7.7 m x 5.7 m)	8	Long and wide (8 m x 6.7 m)	Partly shady

**^ Tent pad:** Check that your tent will fit on the tent pads provided before booking a site. There are bollards between car parks and tent pads.

Camp sites are not suitable for large or high campervans due to low overhanging trees and tight turns.

**\* Long:** car and trailer can remain attached or camper trailer can be extended.  
**Wide:** a car and trailer can park side by side.
